

ORGANIZATION READINESS ASSESSMENT

KENTUCKY AMERICORPS GRANTS

This assessment is to assist you in determining if your organization is poised to apply, and hopefully, implement, an AmeriCorps grant. It should also assist you in getting your systems ready and preparing to submit a grant application for any type of funding.

This assessment is a general guide, a rough tool, to help you plan for implementation of AmeriCorps and other complex grant-funded programming. Successful completion of the assessment does not guarantee AmeriCorps funding through the Kentucky Commission on Community Volunteerism and Service (KCCVS), or the Corporation for National and Community Service (CNCS).

Read each question carefully and answer honestly. **Please return this completed Organization Readiness Assessment to AmeriCorps@ky.gov.**

FUNDAMENTAL QUESTIONS

Is your organization a public or private nonprofit organization – including labor organizations, faith-based and other community organizations; an institution of higher education; an educational institution; a government entity within the State of Kentucky; an Indian Tribe; or a partnership or consortia?

Yes No Unsure

If the answer to the above question is “No” then your organization is not eligible to receive an AmeriCorps grant or serve as a Host Site for AmeriCorps members. You are similarly ineligible if your organization is a 501 (c) (4) non-profit entity [under the Internal Revenue Code of 1986, 26 U.S.C. 501 (c)(4)] that engages in lobbying.

Do your plans for utilizing AmeriCorps members call for members to provide services exclusively within the state of Kentucky?

Yes No Unsure

If the answer to the above question is “No” and the other results of this Assessment are favorable, then your organization may be interested in applying directly to the Corporation for National and Community Service for an AmeriCorps National grant. Contact the [KCCVS](#) for details.

Special Note for Faith-Based Organizations seeking to operate government-funded programs:

If the conditions below are not acceptable to your organization, government funding is probably not a good option:

- Participation in government-funded programs must be open to all who qualify, without regard to religious beliefs.
- No participant in a government-funded program may be required to participate in inherently religious activities.
- AmeriCorps members must not proselytize.
- Government-funded programs must be held in a separate place or time from religious activities.

ADMINISTRATIVE

1. Does your organization have a track record of success with its programs?
 Yes No Unsure
2. Does your organization have the infrastructure to recruit, train, and support the efforts of AmeriCorps members? Variables include office space, technology, supervisory time and skill, financial expertise, and the ability to manage a team of AmeriCorps members.
 Yes No Unsure
3. Has your organization previously managed a federal, state, or foundation grant?
 Yes No Unsure
4. Are there formal internal controls governing all financial operations?
 Yes No Unsure
5. Does your organization have sufficient cash to operate a major grant on a reimbursement basis? *If your program starts Sept. 1, 2018, you will submit a reimbursement request, with supporting documentation, to KCCVS by Oct. 15, 2018, for expenses incurred Sept. 1 – Sept. 30. Payments are made 15-30 days after submission of reimbursement requests if adequate documentation is provided upon submission.*
 Yes No Unsure
6. Are the financial operations of your organization audited annually by an independent auditor?
 Yes No Unsure

If you answered "No" to any of the above questions, it is likely your organization would struggle to successfully administer an AmeriCorps grant. Consideration should be given to seeking a partnership with an existing AmeriCorps program or Applicant. Serving as an AmeriCorps host site, rather than as a primary grant applicant, is often a better option for smaller organizations. Contact the [KCCVS](#) for details.
